

FAST Plug & Tool

Cat.5e, Cat.6, Cat.6A >>

Patent No.
M549476

Features & Benefits

- ✓ Insert wires through the connector and cut the wire end protrusion length.
- ✓ Technicians can easily verify the proper wiring order.
- ✓ One-piece design simplifies RJ45 twisted pair terminations & reduces errors.
- ✓ Improves performance by reducing possible signal noise.
- ✓ 3 Prong pins available in solid and stranded core versions.

| PMC Code. | P8-007-47 | P8-007-48 | P8-005-24 |
|--------------------------|---|-----------|--------------------------|
| Category | Cat.5 / Cat.5e | Cat.6 UTP | Cat.6 / Cat.6A STP |
| Material | PC UL94V2 or UL94V0 are available | | |
| Shell Material | N/A | N/A | Brass with Nickel Plated |
| Accommodated with | Stranded or Solid Conductor from 23 ~ 26AWG | | |
| Wiring Scheme | T568A / T568B | | |
| Compliant | FCC, ROHS, REACH & UL | | |

★★★ Patented

| PMC Code. | PM-3008R | PM-3008RC |
|--------------------------------|---|-----------------|
| Application | Both EZ 8P8C UTP / STP Plug & Standard RJ45 PLUG UTP / STP are applicable, with RATCHET | |
| Material of PLATE | Carbon Steel | Chromium Plated |
| Material of Plug Holder | Aluminum Alloy | |
| Material of Handles | TPR Plastic | |
| Length | 8" (203+/-3mm) | |
| Weight | 420g | |
